

Website and Contents

To minimise paper, we set up a comprehensive website www.onyourbikesonningcommon.co.uk which carries all event information, on-line registration and links to sponsor sites.

The website is regularly updated and at the end of the event all the ride pictures are displayed there in a format which enables downloading. Those taking the pictures are invited to make an on-line donation to the ride which is then shared with the charity.

The photographs are also displayed on a screen in the refreshment hall immediately after the ride.

It is critical to ensure that the website is kept up to date and the website URL is promoted widely.
